A WORD FROM THE PASTOR

“Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.”

For the next three years the bishops of the United States, and his holiness, pope Francis, are encouraging all the faithful across our nation to participate in “*Eucharistic Revival*”. This is a very important step in reclaiming the truth on whether or not the real presence of Christ is truly in the Host and wine or is it merely a symbol as some would believe. The frightening thing about our current situation is how wide spread it is among Catholics, especially among those under forty.

Since June is the start of this revival, I have planned three lectures on this subject. It is my hope our parish community and the surrounding neighborhood, will come together for this important series of talks. In addition to that, I have invited a theologian from St. Patrick’s seminary to lecture on the church’s teachings and how best to reach others in understanding this sacrament.

The Second Vatican Council rightly proclaimed that the Eucharistic sacrifice is “the source and summit of the Christian life”. “For the most holy Eucharist contains the Church's entire spiritual wealth: Christ himself, our Passover and living bread” [are all contained in all the sacraments, each returning to the Body and Blood of Christ.]

As part of this effort to teach and reflect, many of my forthcoming homilies will express the the church’s magisterium and how she shares her spirituality with the faithful. And as bishops, priests and catechists, it is our responsibility and duty to evangelize the truth to the people of God.

Scandal, division, disease, and doubt; the Church has withstood each of these throughout our very human history. But today we confront all of them, all at once. Our response in this moment is pivotal. In the midst of these roaring waves, **Jesus is present**, reminding us that he is more powerful than the storm. He desires to heal, renew, and unify the Church and the world. How will he do it? By uniting us once again around the source and summit of our faith in the celebration of the Eucharist.

I will have more information, dates, times and place, for you in the coming days. May God the Father, God the Son, and God the Holy Spirit continue to enrich you in your spiritual journey.
