A WORD FROM THE PASTOR

"St. Thomas Aquinas taught that the Eucharist has three major components: memory of the past, a present grace, and hope of eternal life."

Last week, Corpus Christi Sunday, marked the beginning of the Eucharistic Revival in which the bishops of the United States have come together to encourage the faithful across our nation to witness to others of our faith that the real presence of the Lord is contained wholly, body, blood, soul and divinity in the precious sacrament. This action taken by the church in the United States is in response to the Pew Research Center's survey indicating that two-thirds of those who self-describe themselves as Catholics, that is, those attending mass regularly, no longer believe that Christ is present in the Eucharist but instead is merely a symbol of Christ in the Mass.

This of course has raised grave concerns among the church leadership, including many of my brother priests. So, the question remains, what are we to do about it? How are we going to address this and what is the best way to communicate this core teaching of the church to our brothers and sisters?

In response to this rather grim report, the United States Conference of Catholic Bishops is addressing this situation by providing to dioceses and other church institutions, teaching and video materials as well as planned events throughout the nation.

One of the many events our parish is planning for the next three years is to present a series of lectures squarely focusing on this mission. Last Monday for example, I gave the first of the three presentations on the Eucharistic Revival in collaboration with the urging of the USCCB along with the bishop of Oakland, to inform the people of God exactly what the church's response is and how to convey this message clearly.

Another presentation on this subject is scheduled for June 21st given by Dr. Anthony Lilles, on the historical, scriptural, and traditional aspects of the Eucharist and why as Catholic Christians, we believe it to be the body and blood of Christ. And finally, on June 28th, Fr. George Da Roza, will give the last of these lectures by introducing our community to the spiritual understanding and the sacredness of this belief. This will be followed by the exposition of the Blessed Sacrament.

Altogether it is the church's desire to emphasize this belief if not to the whole parish community, at least to those whose beliefs have not waned or to those who continue to question its' validity and efficacy. It is also my desire to see that you are given proper catechizing, with an understanding of the Eucharists' transcendental reality. *God bless.*

Fr. Leonard L. Marrujo

Eucharist Revival

TO RENEW THE CHURCH BY
KINDLING A LIVING
RELATIONSHIP WITH THE LORD
JESUS CHRIST IN THE HOLY
EUCHARIST.

THE THREE-YEAR EUCHARISTIC REVIVAL HAS BEGUN!

The Church in the United States is responding to the bishops' call for us to be healed, converted, formed, and unified by an encounter with Jesus in the Eucharist and then sent out on mission "for the life of the world" (Jn 6:51).

We are invited to deepen our relationship with Jesus Christ, Our Lord, through the celebration of the Eucharist, so that we can be set on fire for the mission our Church needs so desperately.

St. Anne's Parish presents a three part lecture on Eucharistic Revival beginning:

June 14th. Why Eucharistic Revival, Now? • Fr. Leonard Marrujo

June 21st. How is the Eucharist the Body of Christ? • Dr. Anthony Lillis

June 28th. How does Christ Live in us? • Fr. George Da Roza.

All lectures are presented in the parish hall beginning at 11:00 a.m.

Fr. Leonard Marrujo

Dr. Anthony Lillis

Fr. George Da Roza

A freewill offering is requested.
